## HHS Honor Society collects for Humane shelter

Several members of the Hendersonville High School Chapter of the National Honor Society gathered during the holidays at Barefoot Charlie's Restaurant to celebrate the conclusion of a successful fundraiser for the Humane Society of Sumner County.

The group used its Christmas party as a collection point to pull the donations together. Among the donations were dog food, cat food, office supplies and other shelter and animal supplies which had been requested as special needs. Lanie Fouch, president of the chapter, said the group was actually overwhelmed and gratified at the response.

The National Honor Society, established in 1921, is the nation's premier organization established to recognize outstanding high school students who have

demonstrated excellence in the areas of scholarship, leadership, service and character.

The Humane Society is located at 16 Volunteer Drive in Hendersonville and is solely supported by donations. If you wish to make a donation, go to [summerhumane.org](http://summerhumane.org) to see the wish list. They are always in need of volunteers as well as those interested in adopting. Information about those opportunities can also be found on the Web site or by calling 822-0061.
