Barefoot Charlie's

Great Food - Great Fun!

Hendersonville has a new hot spot for delicious, affordable food and great entertainment situated on beautiful Old Hickory Lake. With unique island fare and island-inspired décor, Sumner County residents are quickly making their way to Barefoot Charlie's.

Owned and operated by the Manis family—Dave, Charlie and Nancy—this fun, family-friendly restaurant and full service bar offers mouthwatering entrees made from the freshest ingredients including their popular Caribbean Meatloaf, creamy Jerk Shack Pasta, Caribbean Chicken Soup laced with coconut milk, Haitian Voodoo Wings and their signature Piña Colada Bread Pudding.

Far from your typical family-owned eatery, Barefoot Charlie's has become a gathering place for friends since opening in 2008. "People come and stay for hours to see friends, work on their computers or sit on the patio." A place for all ages, their non-smoking environment, competition shuffleboard, free Wi-Fi access, jumbo TVs, an awesome children's menu, live music and weekly activities provide something for everyone.

Barefoot Charlie's fabulous lakeside patio and private party room plus unique on and off site catering make it ideal for any special occasion. Business or casual, large or small, Barefoot Charlie's will plan a memorable party with a personalized menu to suit your tastes.
